

2010-2018 Dodge Ram 2500/3500 Rear Bumper (RBDR2-01)

- **Remove the factory rear bumper:**
 - **Unplug license plate lights from bumper**
 - **Remove license plate**
 - **Remove two plastic clips and two bolts**
 - **Undo 4 bolts (2 on each side) that attach bumper to vehicle.**
- **Place new DV8 rear bumper in same position against vehicle.**
 - **Attach bumper with hardware ensuring that bumper is level.**

- Install lights into bumper and wire lights to your choice (back up lights, or to accessory switch)
