ABOUT ALPHAREX

AlphaRex® specializes in designing and manufacturing superior automotive aftermarket performance lighting. Our goal is to produce lighting products, and technology, that are unrivalled. With our revolutionary PATENTED full L.E.D technology, our Nova-Series L.E.D headlights mark the debut of our distinctive brand. Our NOVA-Series and LUXX-Series PATENTED Ice Cube 3D projector is the core of our exclusive design. Each NOVA-Series headlight projector is equipped with an Osram Oslon Black Flat L.E.D. chip to provide maximum light output, both in illumination and projection. We will persist with our philosophy of innovative technology and uniquely stylish designs in order to bring the very best to the automotive aftermarket industry.

At AlphaRex®, we believe that unsurpassed quality and originality is the key to stay above the competition, and it is our mission to bring much sought-after advanced products to our customers. With over 20 years of manufacturing experience, our factory is without a doubt the pioneer of the performance lighting industry, and capable of successfully designing and manufacturing lighting products for our ever-evolving industry. We design our lights from inception, patent every component we've designed, and guarantee that our products are compliant with the SAE and DOT

requirements. Our products are also certified to ISO-9000, ISO-9001 and ISO-9002 standards. We inspect every detail of our lights to ensure that our customers are more than satisfied with every detail. We strongly believe that excellent customer service and technical support is the key to success; and our team is ready to answer any questions you might have to ensure our customers (and yours) have unparalleled service and satisfaction.

AlphaRex® is now accepting wholesale distribution partners. We believe that in order to reach the broad mainstream aftermarket audience, we need to partner with reputable Warehouse Distributors to stock and promote our supreme brand and unique products. Therefore, we have set-up a discount structure for our NOVA-Series and LUXX-Series L.E.D headlights, L.E.D tail lights and DoubleTap fog lights with MAP pricing exclusively for our wholesale customers. We intend to protect, not compete with, our distributors. In order to be the best Vendor partner, we believe that we should put our efforts into developing and improving our products and technology. So, our authorized distributors can focus on reaching out to your valued Jobbers and potential buyers. AlphaRex® looks forward to working with you and your team!

ICE CUBE 3D PROJECTOR HEADLIGHTS

LUXX SERIES ALPHAREX LED
PROJECTOR HEADLIGHTS

PRO-SERIES HALOGEN HEADLIGHTS

HOUSING Housing material: Polypropylene (PP)

- An unique light sequence when you unlock your vehicle.
- Makes your ride outstanding in the dark.
- With sequential turn signal to give your ride a dynamic light feature

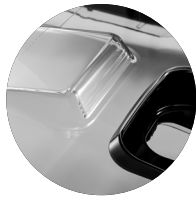

AIR VENT

Apply Nitto Denko TEMISH® CAPSEAL™ air vent to prevent condensation.

Quickly discharge pressure and moisture in the lights.

LENS

Lens material: Polycarbonate (PC)

Exterior lens Coating: UV cured coating

Interior lens Coating: Water-sheeting anti-fog coating

CHROME HOUSING

Glossy chrome finish with clear or white DRL lens.

BLACK HOUSING

Matte black housing with chrome accents and clear or white DRL lens.

JET BLACK HOUSING

Glossy black housing with clear or white DRL lens

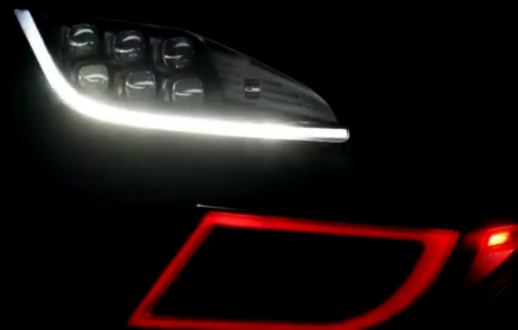

ALPHA-BLACK HOUSING

Chrome delete glossy black housing with smoke DRL lens that give your ride a all black touch.

ACTIVATION LIGHT

The Activation Light is a dynamic startup sequence that activates when you unlock your vehicle or start up your parking lights, depending on the product variant. This feature creates a more dynamic appearance for our headlights and tail lights, enhancing the overall aesthetic and providing an engaging experience every time you approach your vehicle.

NOVA^{PRISMATIC LED} Tail Lights

s e r i e s

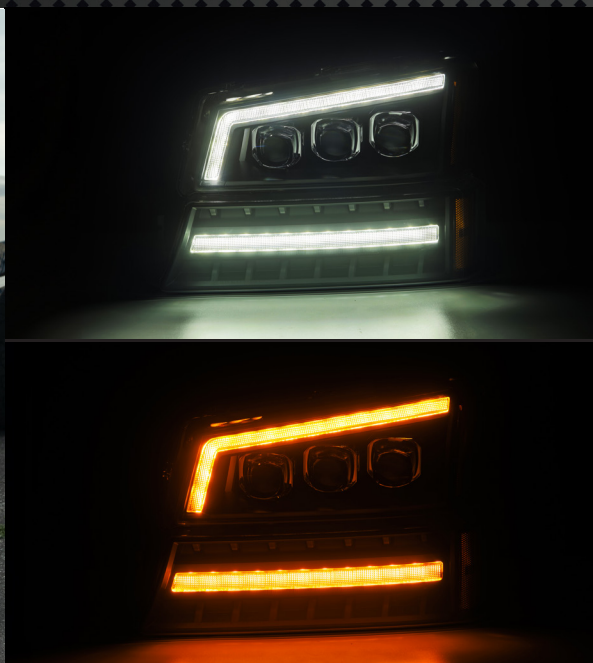

Inspired by the iconic 3D Ice Cube design of our NOVA-Series headlights, our NOVA-Series Prismatic Tail Lights feature a stunning crystalline prism that exudes modern, three-dimensional sophistication. These tail lights not only offer superior illumination but also add a touch of elegance and style to your vehicle, ensuring you stand out on the road.

A close-up photograph of the AlphaRex DoubleTap LED fog lights. The image shows two fog lights on a vehicle's front end. The left fog light is illuminated with a bright white light, and the right fog light is illuminated with a bright yellow light. A hand icon with a finger pointing down is positioned between the two lights, indicating the switchback feature. Below the lights, there are two toggle switches labeled 'WHITE' and 'YELLOW'.

DoubleTap Dual-Color

Introducing the AlphaRex DoubleTap LED fog lights, a game-changing solution that eliminates the need to choose between yellow and white fog light outputs. With their innovative switchback feature, these fog lights allow you to effortlessly switch between a dazzling 6500K white light and a penetrating 3000K yellow light by simply toggling your fog lights on and off within 5 seconds. This versatility ensures optimal visibility in various weather conditions, enhancing both safety and style.

- **Toyota** - Toyota and the Toyota mark and logo, as well as the names and logos of Toyota brands such as Lexus, and Toyota vehicle models, are the trademarks or registered trademarks of Toyota Motor Sales U.S.A., Inc.

Product Disclaimer

Our products are designed for use as aftermarket replacements or upgrades and are not genuine OEM parts unless explicitly stated. AlphaRex does not imply any official endorsement, approval, or affiliation with the manufacturers listed above. Use of these products may affect vehicle warranties, and customers are advised to consult their vehicle's manufacturer or dealer for more information.

Fitment and Legal Compliance

While we provide compatibility information to the best of our knowledge, professional installation and verification of fitment are recommended. It is the customer's responsibility to ensure that the products comply with local, state, and federal laws, as some aftermarket parts may not be legal for street use in certain areas.

Limitation of Liability

AlphaRex shall not be held liable for any direct, indirect, incidental, or consequential damages resulting from the use or misuse of our products.

Changes to Disclaimer

This disclaimer is subject to change without notice. Updates will be posted on our website and take effect immediately.
