SCT™ PRODUCT UPDATES

Here at SCT, we have built a reputation for innovation and precision—one product release at a time. We are as passionate about moving the performance industry forward as dealers are about broadening the enthusiast marketplace. Like you, we thrive on offering cutting-edge performance products for our valued customers.

MEET OUR LATEST INNOVATION

We are pleased to announce exciting new Pillar Pods for our line of SCT Performance Tuners. We've worked hard to build a product that delivers for your customers—but as always, we look forward to hearing what you think. Have questions or comments? Contact your account manager today!

Make	Model	Year	Part No.
FORD	F150	2015+	31310
FORD	SUPERDUTY	2017+	31310

Please note these model year supported vehicles are in addition to existing product supported vehicles.
