Product Instructions

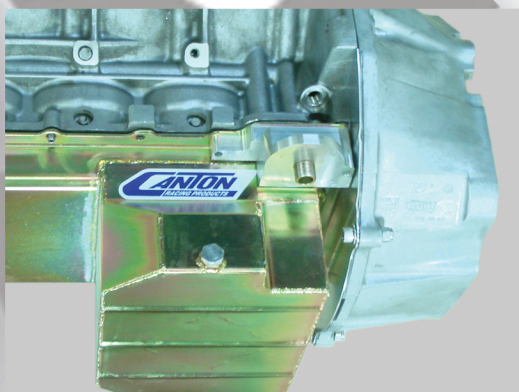

#21-870 Aftermarket LS Oil Pan Flywheel Cover

This piece is engineered to cover the flywheel when the cast pan is replaced with a fully fabricated pan.

It is designed for the T56 Transmission F-body bellhousing.

Install by positioning the top edge of the cover into the gap between the oil pan's rear mounting rail and the bellhousing and using the supplied hardware bolt the cover to the bottom of the bellhousing.

Note: Cover may require trimming for starter clearance
