## Easy Loom Installation Instructions

**Step 1:** Measure the length of Easy Loom™ needed & mark where to cut

**Step 2:** Use scissors to cut Easy Loom™

**Step 3:** Wrap Easy Loom™ around lines

**Step 4:** Cover the end of applied Easy Loom™ with enclosed silicone tape

**Step 5:** Remove 1" - 2" of plastic backing from tape

**Step 6:** Wrap tape with 2/3rd overlap

**Step 7:** Firmly press the end of tape together
