INSTRUCTION MANUAL

Definitions: Safety Alert Symbols and Words

This instruction manual uses the following safety alert symbols and words to alert you to hazardous situations and your risk of personal injury or property damage.

- ▲ **DANGER:** Indicates an imminently hazardous situation which, if not avoided, will result in death or serious injury.
- ▲ **WARNING:** Indicates a potentially hazardous situation which, if not avoided, could result in death or serious injury.
- ▲ **CAUTION:** Indicates a potentially hazardous situation which, if not avoided, may result in minor or moderate injury.
- ▲ (Used without word) Indicates a safety related message.

NOTICE: Indicates a practice not related to personal injury which, if not avoided, may result in property damage.

- 1: GearBox
- 2: Safety Strap
- 3: Strap Lock

NOTICE: Failure to follow the warnings and instructions may result in improper installation and could result in property damage to vehicle or GearBox.

PACKAGE CONTENTS:

- GearBox
- Safety Strap

INSTALLATION INSTRUCTIONS:

1. Open and remove the GearBox from the shipping box and protective plastic.
WARNING: Keep plastic out of the reach of children!
2. Lift the rear seats into the upright position and fold down the factory storage box as shown in the image below.
3. Place the GearBox in your vehicle.
4. Thread the safety strap through the strap slot in the back wall of the GearBox.
 - a. Proceed to wrap the strap around the seatbelt mount.
 - b. Feed the strap through the strap lock and pull it tight, then fasten.
