

HUSKY **Weather** **BEATER**[™] **Custom Vehicle Floor Protection**

CARE AND USE INSTRUCTIONS

Thank you for selecting a WeatherBeater[™] Cargo Liner from Winfield Consumer Products. Your new cargo liner is custom molded to fit your Audi Q5. Upon removal from the box your liner will not completely unroll and lay flat. This is normal and only temporary. Just place the liner on the floor or in the cargo of your vehicle with a weight in each corner (a book works well). After about 15 minutes, your liner will remain flat. In colder climates this “relaxing” may take longer; moving the liner to a heated area will accelerate the process.

Your liner is manufactured using an engineering resin that is lightweight and extremely tough and durable. The easiest way to clean your liner is with a damp cloth or sponge. If using a cleaner, 409[®] or Glass Plus[®] work well. Use of Armor All[®], Son-of-a-Gun[®] or similar items is discouraged as these products make the liner slick.

INSTALLATION INSTRUCTIONS FOR YOUR AUDI Q5 CARGO LINER

YOU CAN ACCESS THE FACTORY CARGO TIE-DOWN LOCATIONS WITH YOUR LINER IN PLACE. TO DO SO, SIMPLY TRIM AWAY THE LOWERED AREAS IN THE LINER LOCATED ABOVE THE CARGO HOOKS YOU WISH TO EXPOSE. THE FOUR HOOK LOCATIONS ARE SHOWN ABOVE DARKENED. A UTILITY KNIFE WORKS WELL FOR TRIMMING.
