

Tailgate Mat - Ford F-150 & Ford Super Duty w/ Tailgate Step

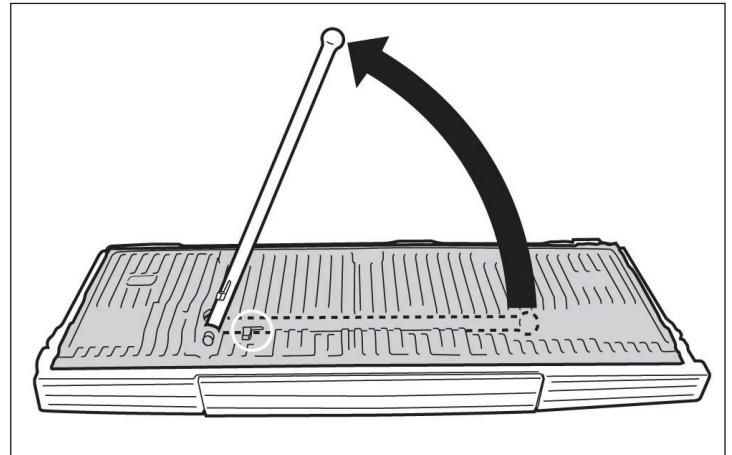

1. Remove fasteners from factory plastic cover:

- F-150 - remove (13) screws
- Super Duty - remove (8) screws and (5) plastic "christmas tree" fasteners

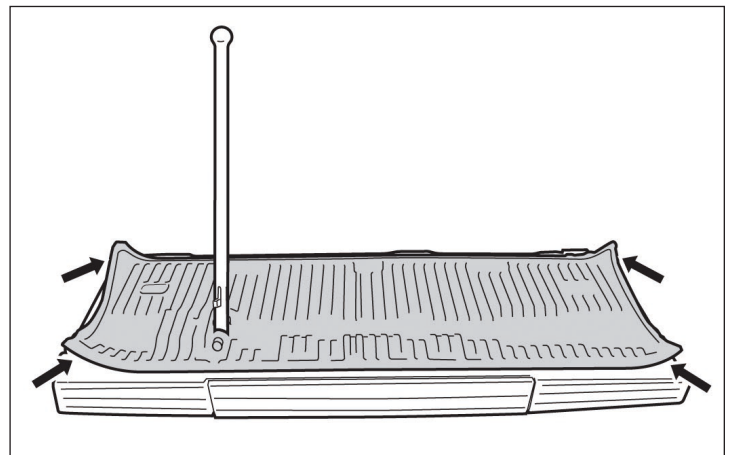

NOTE: Use a torx bit size T30 to remove screws.

2. Raise the bar on the step gate by releasing the step bar catch.

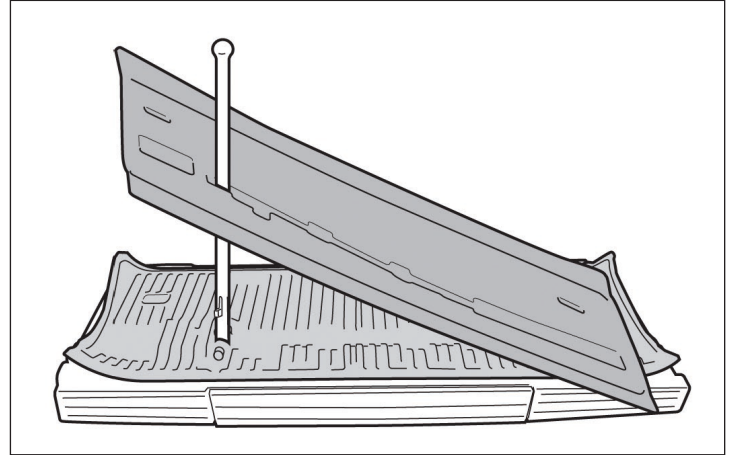

3. Pull plastic cover loose from tailgate.

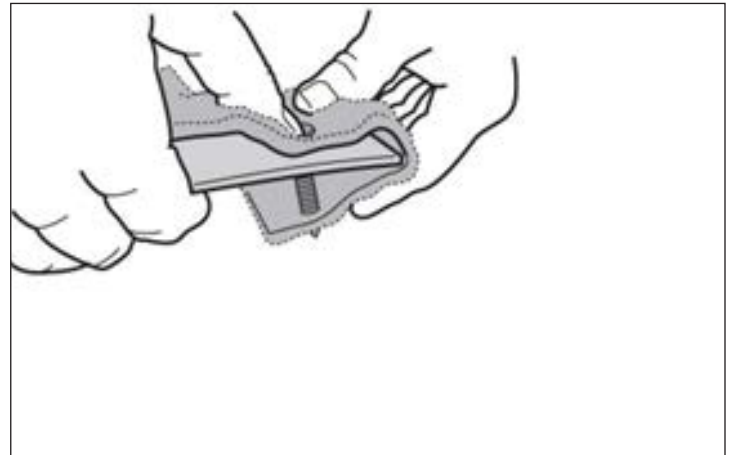

Tailgate Mat - Ford F-150 & Ford Super Duty w/ Tailgate Step

4. Push tailgate cover over step handle at precut slot and position over plastic cover.

5. Fold top flap over top edge of plastic cover:

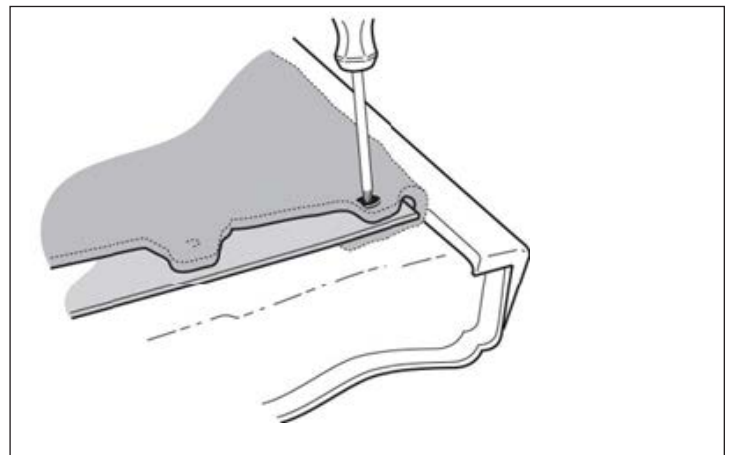

- F-150 - Reinsert four (4) screws to hold fold in place over plastic cover.
- Super Duty - Reinsert four (4) screws and two fasteners to hold fold in place over plastic cover.

6. Reinstall screws along top edge keeping flap tucked tight against edge of plastic cover and below the 45 degree flange at the bottom of the factory tailgate cap.

NOTE: The top flap of the mat has extra holes that are intended to be captured by the screws on the underside to ensure flap cannot come loose during use (i.e. when cargo is loaded, etc.)

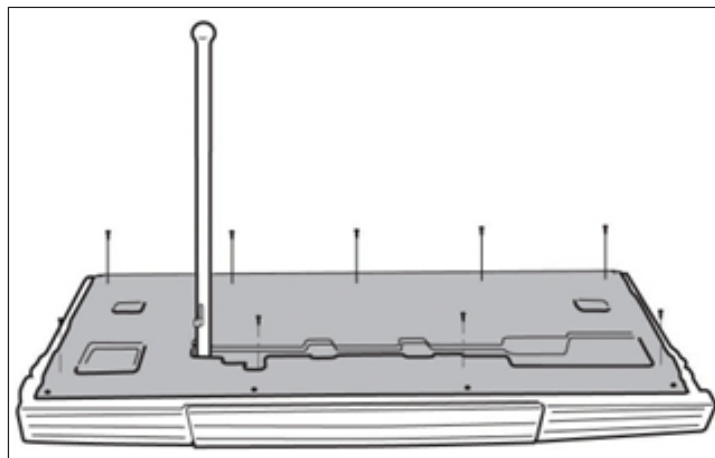

It may be somewhat difficult to get plastic cover back over pivot bolt of step handle. Striking the cover down and toward the front of the truck helps reposition the plastic cover and mat.

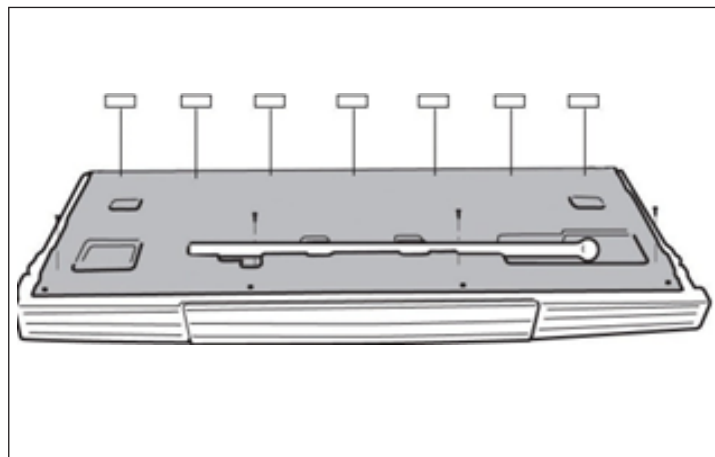

Tailgate Mat - Ford F-150 & Ford Super Duty w/ Tailgate Step

7. Reinstall all other screws (and/or fasteners) through prepunched holes in mat using a torx bit size T30.

CAUTION: These screws will strip very easily. Do not overtorque. (Specification is 2.7 lb-ft.)

8. Attach 1" x 2" hook fasteners to plastic cover. Clean hook fasteners attachment locations thoroughly with alcohol. Apply 4298 adhesive promoter to cleaned areas. Apply hook fasteners to plastic cover.

Care and Cleaning

- Wash only with mild soap & dry with a clean cloth.

The material that your product is made from can be recycled. Please also consider recycling the packaging that your product came in.

Congratulations!

We take the utmost pride in our products and want you to enjoy years of satisfaction from your investment. We have made every effort to ensure that your product is top quality in terms of fit, durability, finish and ease of installation.
