ADJUSTABLE MOUNT
STEP PLATFORM

Adjustable Ball Mount NOT included.

ITEM NO.	DESCRIPTION	QTY
1	STEP PLATFORM	1

Step Capacity: 500 lbs. Maximum.

⚠ WARNING ⚠

USE ONLY SUPPLIED HARDWARE TO INSTALL THIS KIT.

Mounting:

This step can only be used with the adjustable ball mount kit. If you are not yet familiar with how your adjustable ball mount system works, it is recommended that you familiarize yourself with the operating instructions prior to towing and using these components. Failure to do so can result in possible accidents and/or injuries.

System Capacities:

Be sure to double check the capacity of your entire towing hitch system. Use the trailer coupler capacity, or the capacity listed above, whichever is lower. If trailer coupler capacity is unknown, do not exceed the maximum towing capacity which is stamped on either your trailer balls or accessories.

WARNING: Do not exceed vehicle's towing capacity or receiver hitch capacity, whichever is less. See your Vehicle Owners Manual to determine Vehicle Tow Rating.

Installation Instructions for Step:

Before operating, inspect product to ensure all parts are in good condition and properly mounted before use. Be sure to fully inspect the vehicle's receiver hitch, the Platform and its respective pins and clips. If you doubt the condition of any of the parts or accessories or your vehicle's hitch system – **do not** tow and contact your sales dealer for replacement parts.

1. With the platform already installed in your vehicle receiver hitch; line up the step to the platform channel to the desired height and secure it using the (2) clevis pins which were included with the adjustable ball mount kit.

Operation Instructions for Step:

1. To fold up for storage. Remove hair and clevis pin from bottom hole of step.
2. Fold up step.
3. Install clevis and hair pin in top hole of step to secure for storage.

WARNING: Use of any pin other than the pin supplied by Husky Towing could be a serious safety hazard and will void the warranty.

NOTE:

If replacement pins are needed, they must be replaced with original factory adjustable ball mount kit pins. Prior to usage, check to make sure that the pins are secured into place.
