## WARNINGS/SAFETY PRECAUTIONS

Before driving, ensure that the window visors are properly secured to the vehicle.  
Avoid using cleaning solvents on the window visor surfaces.  
Periodically check all window visors for proper adhesion.

## PRIOR TO INSTALLATION:

Thoroughly clean and dry the installation area on the vehicle.  
Verify contents of box.  
Read instructions thoroughly.  
Use caution to avoid scratching the window visors and vehicle.  
Verify proper fitment of window visors to the vehicle.

## INSTALLATION

1. Lower the window. Buff inside felt surface of the window channel with scotch brite pad (#4) and clean with alcohol pad (#3). **(IMAGE 1)**
2. Remove tape liner from front and rear flanges of the front driver side visor (#1) if applicable. Peel back 2 inches of tape liner from each end of the top flange. **(IMAGE 2)**

**(IMAGE 1)**

**(IMAGE 2)**

## INSTALLATION (CONTINUED)

3. Slide the rear flange of the visor into the window channel. Then slide the top and front flanges into the window channel. **(IMAGE 3)**

4. With the visor in its final position remove the remainder of the tape liner. Apply pressure to the taped surfaces to secure in place. **(IMAGE 4)**

**(IMAGE 3)**

**(IMAGE 4)**

5. Using a flathead screwdriver, install a C1 clip (#5) at the front and rear ends of the visor to compress the visor into the rubber window channel. **(IMAGE 5)**

**(IMAGE 5)**

6. Roll up the window for at least 24 hours to maximize adhesion.

**NOTE:** It may be necessary to both hold the visor up into the window channel AND pull the bottom of the visor slightly outward while raising the glass to seat the visor properly. **(IMAGE 6)**

7. The rear driver side visor (#6) attaches using the same procedure as the front visor, if applicable. **(IMAGE 7)**

8. Repeat steps 1-7 for the front and rear passenger side visors (#2, #7) as applicable.

**(IMAGE 6)**

**(IMAGE 7)**

## **CLEANING**

Wash window visors with mild soap and water. Dry with a clean microfiber cloth.

## **WARRANTY INFORMATION**

### **Limited Lifetime Warranty:**

Keystone Automotive Operations (KAO) warrants this product to be free of defects in material and workmanship at the time of purchase by the original retail consumer. KAO disclaims any other warranties, express or implied, including the warranty of fitness for a particular purpose or an intended use. If the product is found to be defective, KAO may replace or repair the product at our option, when the product is returned prepaid, with proof of purchase. Alteration to, improper installation, or misuse of this product voids the warranty. KAO's liability is limited to repair or replacement of products found to be defective, and specifically excludes liability for any incidental or consequential loss or damage.
