

Clutch Cooler Pro Instructions

Congratulations on purchasing the Clutch Cooler Pro! This 2-speed, 12-volt motor is equipped with an orange wire (high speed), red wire (low speed), and a black ground wire. We recommend using the orange (high speed) wire, the black for the ground and a 15-amp fused power wire from your battery to the center of the switch. You can use either a 16- or 18-gauge wire to protect the system.

Tips for the product:

- Mount the pump in a spot that has the coolest, clean air possible
 - The engine compartment is not recommended
- Keep the pump clean and dry
- When cleaning the car, we recommend covering the pump to prevent moisture from entering the unit (water may enter through the filter or hose end)

Limited Warranty

McLeod Racing products are warranted to be free from defects in material and workmanship for the period of ninety (90) days from the date of purchase. McLeod Racing does not warrant or make any representations concerning its products when not installed and/or used strictly in accordance with the manufacturer's instructions for such, installation and operation, and in accordance with good installation and maintenance practices of the automotive industry. Products purchased used do not carry a warranty. This warranty is to the original purchaser and is non-transferable.

McLeod Racing will not be held liable for the labor charges and other intangible or consequent losses that might be claimed because of the failure of any part, nor shall it be liable for damages or injury to persons or property resulting from the misuse or improper installation of any part subject to this warranty. No merchandise may be returned for any reason unless prior return merchandise authorization number (RMA) has been obtained from McLeod Racing. An RMA number may be obtained via www.mcleodracing.com or by calling McLeod Racing directly.

McLeod Racing reserves the right to examine all parts returned for warranty claim to determine whether any such part has failed because of a defect in material or workmanship. McLeod Racing's obligation under this warranty shall be limited to repairing, replacing or crediting, at its option, any part found to be defective. All products returned for warranty inspection must be prepaid by the customer under this warranty.

In a racing environment, the type of stress placed on automotive parts can vary dramatically by the type of use, driving style, track preparation, differing tire style, and other variables that are out of McLeod Racing's control. For this reason, any parts used in a racing environment shall be void of any warranty either expressed or implied.

There are no other warranties, either expressed or implied, including, but not limited to, warranty of merchantability, and warranty of fitness for a particular purpose which extend beyond those set forth in the preceding paragraphs. This warranty shall be interpreted and applied in accordance with California law.

For any changes or updated versions of the warranty described above, please refer to www.mcleodracing.com before installation of product.
