Product Information

Elevate your vehicle's presence on the road with the RS-5050-5MW 16ft (5M) 5050 LED Strip in a pure and radiant White hue. This isn't just a tape strip; it's a transformative lighting system meticulously crafted to redefine your driving experience and turn your ride into a symbol of elegance and sophistication. With an extended length of 16 feet (5 meters) and a series of advanced 5050 LED diodes, this tape strip invites you to customize your journey with a brilliant and dynamic white glow. At the heart of this lighting marvel are the advanced 5050 LED diodes, designed to deliver a powerful and consistent white illumination. The purity of the color is both timeless and attention-grabbing, creating a stunning visual effect that sets your vehicle apart with an unmistakable sense of refinement. Our Tape strip lighting reels are the best in the industry. The super durable design has a thick and durable circuit board that is super flexible and easy to bend. We only use original super stre
