Made In CN Warranty 3 year Lumens 3,500lm Beam Pattern Combo

Product Information

The HD Series just got better with these high output auxiliary lights from Race Sport Lighting. See better, gut through the night, and navigate through trails like never before with these amazing bright high performance LED Aux lights on any vehicle, either on-road or off-road. Choose between Clear or Amber lenses, between cubes of flush mount styles, or install both on your ride today! Our HD Series features a 3-Year Warranty, but will last the test of time. And if that was not enough, this product features a 2nd function of amber side strobes to help others steer clear when you are hauling large loads, backing up, and more. Sold as Pair Lens Color: Clear Mounting Style: Flush Mount Power: 40W Lumen: 3500LM Work Temperature: -20°C~65°C Color Temperature: 6500K Housing: Aluminum Alloy Housing Outside Lens: PC Lens Voltage: 12V-24V DC Waterproof Rate: IP67 Performance: Anti-interference, Anti-flicker
